Important Information About Choosing A Repair Shop

This list contains the name of every registered auto body repair shop in your county. Upon request we will provide you with a list for an additional county or counties of your choice. You may choose to have your vehicle repaired at any shop that appears on this list.

Registered Repair Shop: A registered shop is an auto body repair shop that is registered with the Massachusetts Division of Standards in accordance with state law. An insurance company cannot pay for repair work done by an illegal, unregistered shop. If you choose to take your vehicle to a registered shop which is not a Plymouth Rock referral shop we will negotiate with them, but we cannot promise that we will pay for any difference between our check plus your deductible and the amount the shop charges to repair your car. **We do not guarantee the repairs done by a registered shop unless it is a Plymouth Rock referral shop.**

Referral Repair Shop: A Plymouth Rock referral shop is a registered auto body repair shop with which we have contracted to provide quality repair work to your car. These shops will perform the repair work listed in our appraisal for the amount we pay you plus any applicable deductible. Plymouth Rock referral shops on the list appear in bold and are underlined. Under The Plymouth Rock Repair Guarantee, we guarantee the repair work performed by any of these shops for as long as you own or lease your car.

Door to Door Valet Claim Service® : Many of our referral shops provide our Door to Door Valet Claim Service. If you choose this program, you select one of our Door to Door referral shops and Plymouth Rock will pick up your damaged vehicle, deliver it to the repair facility, arrange a rental car

for you and return your repaired car to your home or office once repairs and our quality inspection are complete. If your auto insurance policy includes substitute transportation coverage, the covered cost of your rental car will be billed to Plymouth Rock. If you do not have this coverage, the expense can be billed to your major credit card. If it is more convenient for you, you may choose to drive your vehicle to the Door to Door referral shop of your choice and pick up a rental car. Upon completion of the repair work, we will either deliver your vehicle back to you, or you may bring the rental vehicle back to the repair shop and exchange it for your repaired car. All repairs by Plymouth Rock Door to Door referral shops are guaranteed under The Plymouth Rock Repair Guarantee.

The Plymouth Rock Repair Guarantee: We guarantee the repair work performed by a Plymouth Rock referral shop or Door to Door referral shop for as long as you own or lease your car. With The Plymouth Rock Repair Guarantee, Plymouth Rock will arrange for the correction of any covered repair that fails to meet generally accepted industry standards for form, fit, finish, durability and functionality. The Guarantee does not cover normal wear and tear or damage caused by improper maintenance, neglect, abuse or subsequent accident. It also does not apply to any work on the covered repair performed by anyone other than a Plymouth Rock referral repair shop.

If you have further questions or need an explanation of the available options, please refer to the Claims Information Booklet which has been provided with this list or feel free to call our Claims office at 617-951-1000.
